Dear Parents/Guardians

We are looking forward to transporting your children to your new school relocation site at the former St Philip Neri Catholic School at 20 Beverly Hills Drive come September.

Student Bus Stop Assignments

At this time, we have assigned all students within the school catchment area to the closest bus stop to your residential address. There are some students that reside outside the catchment area that have not been assigned. There may also be families that are assigned bus stops but are using a daycare or caregiver which may require us to change your assigned bus stop. Please contact the school to confirm your transportation arrangements.

Available Bus Stops

For your reference we have highlighted all the bus stops that are in use at St Antoine Daniel for the 2022-2023 school year. If you reside out of catchment you are welcome to use any of these bus stops. Simply contact the school to let them know and we will update the bus stop manifest.

Transportation Portal

For those that are new to student transportation you can check out our website at www.torontoschoolbus.org for information on school bus service. From this site you can also sign up on the transportation portal. We encourage everyone to do so. Once you have created an account and assigned your children you will be able to look up your bus stop information and details, sign up for delay notifications and receive an e-mail in the event the bus may be late, or use the 'where's my bus' utility to locate the bus in real time during school hours.

Bus Contact Information

During the relocation we have assigned Switzer-Carty Transportation to provide service to this school community. Items like days when your child will not be using the bus (they are ill or have some other engagement for example) should be communicated directly to the bus company at 905-361-1084. Please note that the company nor the driver have the ability to make changes to the routes so please ensure you continue to communicate any changes or concerns through the school.

As always, if you have any questions, please contact our transportation office at 416-394-4BUS (416-394-4287) or by emailing transportation@torontoschoolbus.org.

Sincerely,
Toronto Student Transportation Group
