RE: HODGSON MIDDLE SCHOOL RELOCATION EFFECTIVE SEPTEMBER 2023

Dear Parents / Guardians

Further to our letter of May 2023 we wanted to confirm your transportation information for September 2023. In terms of the bus stop, bus stop time, bus route number, and Bus Company providing the service, we have identified this information below:

AM Route: Bus Route Number **AM Carrier:** Bus Company

AM Stop: Stop Description

AM Stop Time: Stop Time

PM Route: Bus Route Number **PM Carrier:** Bus Company

PM Stop: Stop Description

PM Stop Time: Stop Time

First Student route # PFT9216 will service the early/late stops for the extra curricular activities @ 7:40 & a return at 4:30 from the stop located at DAVISVILLE PS ON MILLWOOD (W OF 95 MILLWOOD RD) Monday thru Friday. This route will be doing a second run at 8:20 and 3:09 for students assigned to the regular school schedule. As such, you may only ride the bus at your designated time.

Also, since your children have not been bussed previously, you may not be aware that there may be changes throughout month of September which may impact your service. We are again doing a staggered start for the start of the school year with our Special Needs students, relocated schools (such as Hodgson), the Island and Indigenous schools being the priority for the first week of school, therefore your service will start on a September 5th. We ask that you get to your assigned bus stop location early to avoid school bus loading delays. The bus should have the route number posted in the window of the bus so you can easily identify it. Please ensure students are reminded that they need to respect private property where stops are located. It is also important to remember that students are assigned to designated stops and buses and therefore you cannot choose which bus you want to use. However, if your circumstances change and you need to make a change, you can request a change of stop and/or your assigned bus

where space allows once the initial start-up phase has settled (usually after Thanksgiving). To make such a request you will need to submit a change application through the school.

Also as mentioned in our Town Hall and Parent Night meetings and letters, we encourage all families to sign up on the TSTG parent transportation portal once it is open in mid-August. This will allow you to confirm your child’s transportation information 24/7 and sign up for delay notifications in the event the bus is delayed for any reason. You can also confirm the physical location of the bus in live time relative to the school and stop locations as part of the “Where’s My Bus” bus feature in BusPlanner Web.

We trust the transportation bus/stop information is helpful. However, if you feel this information is not correct or is incomplete in anyway, please contact our office so we can review with you further.

Should you have questions or concerns please do not hesitate to contact the Student Transportation Services Department at 416-394-4BUS (4287) or transportation@torontoschoolbus.org .

Sincerely

Toronto Student Transportation Group
